BAY-DELTA  
PROGRAM

APR 23 1998

# Public Comment

Date 4/13/98

The CALFED Bay-Delta Program welcomes your participation. Please use the space below for your written comments (attach additional sheets if necessary).

Comments:

~~I, Paye Shah, do not believe that the development of canals, storage, reservoirs, dredging or water conservation is an effective mean of replenishing the Bay and Delta's problems. In my opinion, conservation is the only real solution to this epidemic. I hope that we are able to find effective solutions to this problem without the development of more canals ext.~~
